Problem

Changing disk default values for line spacing in Window MODE and Format line settings is not reflected when creating a document to have the new default values in the L/S setting. Only when L/S shows correct values will document print as specified with the new default values.

Solution

The following patches will correct this problem.

```
PATCH SCRIPSIT/SYS R=15 B=186 F=4947 C=63E9
PATCH SCRIPSIT/SYS R=11 B=14Ø F=141414141414141414 C=3A228132FØ7AC34947
PATCH STARTUP A=E4ØE F=B1B1AFB2B4AF C=B1B2AFBØB4AF
```
