Problem

Occasionally you may need to edit YTD purchases/payments.
The following changes will make this possible.

Solution

The problem is corrected by following the steps listed below.

1. Backup the diskette(s) and make the changes on the Backup copy of the program.
2. In BASIC load the program by typing LOAD"APS/BAS".
3. Make the following corrections:

4. Type SAVE"APS/BAS" to save the changes in the program.
5. Run the program using:
